

## NEW FURNACES

Vacuum & Atmosphere Services Ltd, through our agency agreement with Ipsen and our partnership with JLS Furnaces U.K. Ltd. are able to offer a wide range of heat treatment furnaces including, but not limited to:

- Vacuum Furnaces (Including over pressure quench)
- Sealed Quench Furnaces
- Tempering Furnaces
- Nitriding Furnaces
- Air Furnaces
- Walking Beam Furnaces
- Roller Hearth Furnaces
- Mesh Belt Furnaces
- Multi Row Pusher Furnaces

Our team of UK based, gas safe registered, service engineers are fully trained both electrically and mechanically to install and commission furnaces, whilst complying with all the latest health & safety regulations.

Along with our extensive furnace knowledge we also have the full technical back-up of our partners.

**Aabco Handling Ltd, part of the VAS Group of companies can also offer new handling equipment, including furnace loaders and unloaders, roller and belt conveyors, which can be fully automated and have sophisticated control systems, to ensure furnaces are loaded and unloaded safely.**
